Continue working in pattern working consecutive rows of the chart on one side of the mitt and only row 1 on the other side (palm side) until mitt measures 4 1/2". **Work 21 sts in pattern as set bind off 6 sts work to end of round in pattern as set. Work 21 sts in pattern as set cast on 6 sts using backwards loop method and work to end of round in pattern. ***Continue working in pattern as before until the whole mitt measures 7 1/2". If desired you can make a larger mitt by working more before and/or after making the thumb whole, but this may require additional yarn.

Left Mitt:

Work as for right mitt until **. Work to the last 7 sts of round and bind off 6 sts. At the end of the following round cast on 6 sts using backwards loop method. Continue as for right mitt from ***.
