# Shaded Feather Openwork Scarf

## Knit in Alpaca Lace

Designed by Shannon Dunbabin

I've wanted to try shading Alpaca Lace by triple stranding and changing one color at a time. It knit up fairly quickly and the results are beautiful. With 36 colors to choose from there are numerous combinations that can be put together for this project. I did use a lifeline every color change as this does not rip out well if you make any mistakes.

### Materials:

Alpaca Lace (100% Baby Alpaca; 437 yds/50 g) 1 skein each of 4 colors – shown in: [A] 1403 (Ballerina Pink), [B] 1410 (Peony Pink), [C] 1407 (Amethyst Heather), [D] 1416 (Thistle) – wind each color into 3 balls

- US 7 Needles
- Scrap of yarn for Life Line
- Needle for weaving in ends

Abbreviations: K – Knit

**Pattern:**      **Row 1:** [RS] – K1 \*K2TOG, YO, K1, YO, Sl1, K1, PSSO; Repeat from \*, end K1

Essentially you knit 3 strands of Alpaca Lace for 14 rows of the pattern and then change 1 strand to the next color. When you get to color D, you knit the pattern for 56 rows. Then you reverse the order of the colors and go back to changing every 14 rows.
