When working flat, work the opposite stitch as presented. If the stitch in the previous row was a knit stitch, you will purl. If the stitch in the previous row was a purl stitch, you will knit.

### Pattern

With size 9 dpns, co 40 sts. Pm for the beg of rnd. Work in a [k2, p2] rib in the rnd for 6 inches. Work one more round in rib until 2 stitches before the marker. K1, kfb, slip marker, k1 kfb. These 6 stitches are now the seed stitch section. 42 sts.

Begin pattern stitch for 36 stitches, followed by seed stitch for 6 stitches for 8 rounds. With size 11 needles, continue both pattern stitch and seed stitch for 16 rounds. *Measure and make note of the total length at this point.* With size 13 circular needles continue both pattern stitches until sleeve measures 21 inches or the length from the bottom of wrist to underarm.

Begin working flat at marker. Work until piece measures 18 inches or length from underarm to underarm across back.

Begin working in the round again until sleeve measures total sleeve length less the measurement made note of on the first sleeve (length of ribbing + 8 rows with size 9 needle + 16 rows with size 11 needles).

Work 16 rounds in pattern with size 11 needles, then work 8 rounds in pattern with size 9 needles. Work in [k2, p2] rib for 6 inches. Bo in pattern.
