After the 2<sup>nd</sup> row, make buttonhole as follows: K2, YO, K1, work to end. Next row: Work in pattern to last 4 sts, K1, knit YO together with next st, K1. Work a button hole every 8, 8, 8, 10, 10, 10 rows. Continue in until body measures 12", 13", 13", 14", 14", 14" from beginning or desired length to armholes ending with wrong side row.

Divide fronts and back:

Keeping pattern correct, work across 16, 18, 21, 22, 24, 27 sts. K2 tog, K1. Cut yarn and place these sts on a holder.

## Back

## Right Front

Place sts from 1<sup>st</sup> holder back on the needle. With right side facing, K1, K2tog, work in pattern to complete row. (Neck dec row) Work next row even. Work decrease rows to correspond to back for armhole shaping. Work 2 more dec rows at neck edge (all sizes) followed by an even row, then on next right side row and AT THE SAME TIME continuing to decrease for armhole as for back, begin increasing for collar at the neck edge as follows: K 3 for band, inc 1 st in next st, work to end in pattern. Next row work increased st in garter st (increasing the width of the band), purl to end of row. Work in this manner until there are 9, 9, 11, 11, 13, 13 garter sts in band. Continue in pattern as established until armhole measures the same as the back ending on a wrong side row. Bind off shoulder sts (non garter st) Working on these sts only, continue in garter st for 8, 10, 12, 14, 16, 18 more rows, or sufficient to meet at center back. Place stitches on holder.

## Left Front

Place Left Front stitches back on needle. With wrong side facing, work row even. Work to correspond to Left Front reversing shaping working decreases at armhole on right side rows by working to the last 3 sts, ssk, K1 and making the collar increases in the stitch just beside the collar.
