### **Increases Around All Markers**

Your increases will be worked around all the markers in sets of 10 rows. (8 sts increased each odd row.)

Increase Set of 10 Rows:

Row 1 (RS): \*SM, k1, M1, work to 1 st before, M, M1, k1\*.

Row 2 and all even rows through 10 (WS) : work pattern sts. (purling new sts.)

Row 3: \*SM, k2, M1, work to 2 sts before M, M1, k2\*.

Row 5: \*SM, k3, M1, work to 3 sts before M, M1, k3\*.

Row 7: \*SM, k4, M1, work to 4 sts before M, M1, k4\*.

Row 9: \*SM, k5, M1, work to 5 sts before M, M1, k5\*.

Repeat these 10 rows until you have your st count needed for each section. Your fronts will continue increasing even after you separate your sleeves and join your body areas.

### **CUSTOM FIT NOTES**

The size of your sweater depends on how long you repeat the Increase Set of 10 Rows. (Change to larger circulars if needed.) Try your sweater on to see how long your increases need to be. Place your stitches on a piece or waste yarn long enough to give you plenty of ease. Put the sweater on and check. You can modify and check to see if you need more or less sts, more or less rows before the underarm join. You will be casting on extra sts at your body join and sleeve area, so account for this. The sleeves join several inches below your arm pit.

If you have the sts you need but want it longer, stop the increases and make it longer.

Here are your stitch guides before your join:

Some sizes will obtain st count on different rows on fronts, back and sleeves. Some sizes will have odd number of sts for their st guide. The extra st can be added with the cast on sts when separating sleeves and body.

Customize your sweater and choose a body and arm size that suits your body.

Here are your stitch guides before your join:

**Front** (each side): 49 sts = 30", 55 sts = 32", 61 sts = 34", 67 sts = 36", 73 sts = 38", 79 sts = 40", 85 sts = 42", 91 sts = 44", 97 sts = 46", 103 sts = 48", 109 sts = 50", 115 sts = 52".

**Back:** 92 sts = 30", 98 sts = 32", 104 sts = 34", 110 sts = 36", 116 sts = 38", 122 sts = 40", 128 sts = 42", 134 sts = 44", 140 sts = 46", 146 sts = 48", 152 sts = 50", 158 sts = 52".

**Arms** (each section): 68 sts = 11", 74 sts = 12", 80 sts = 13", 86 sts = 14", 92 sts = 15", 98 sts = 16", 104 sts = 17", 110 sts = 18", 116 sts = 19".

### Separating Sleeves

When you have your desired sts and length \*work to M, CO 6 sts, SM to LH needle, slip arm sts to waste yarn or knit onto a cable holder\*, work across your back body area and repeat process for second sleeve (in between \*'s). Your back and side body areas are now joined in the round with an extra 6 sts at each side. Keep your 2 markers at each front area.

Work your established body pattern still continuing your increases on your 2 front areas.

Once you have obtained your sts count for your front areas you will be making a button hole in the center of the rib on your right wearing side as follows:

On row 3 (RS) BO the center purl st. (st 7 from the end)

On row 4 CO the center knit st. (st 8 from the end)

Work your button holes every rows 3 & 4 from here to the end of your sweater body.

Continue working your pattern for 12(12, 13, 13, 14, 14) or 3 inches from desired length.

On your last RS row increase evenly in your Stockinette areas by M1 to obtain 221(237, 253, 272, 293, 309, 329, 345, 365, 381, 401, 417). Some size will not need increases.

Row 1 (RS): Sl1 knitwise, CRP to last st, k1.

Row 2: Sl1 purlwise, CRP to last st, p1.

Work these 2 rows for 3 inches.

End with Row 3 of CRP. (no button hole made)

BO all sts following Row 4 of pattern st.

## **SLEEVES**

Place your sleeves on DPN's or 2 circular needles. Pick up and knit 6 sts where your body CO sts are.

Work all sts in the round to your elbow keeping your 1MCP down the center of your sleeve.

## **Decreases**

Starting with: 80(86, 92, 98, 104, 110, 116, 122) sts

(If you have a different starting st count, decrease using the rows below to one of the st counts above, then continue.)

Row 1: K1, k2tog, work to last 3 sts, k2tog, k1. (2 decreased)

Rows 2, 3 and 4: Work pattern.

Repeat these 4 rows for a total of 8(12, 12, 18, 18, 24, 24, 30, 30) sts decreased.

Work all rounds until 3 inches from desired length. Try your sweater on. This sleeve is meant to "blouse" slightly over your ribbed cuff.

On last round in your Stockinette area decrease evenly by k2tog to reach 44(44, 48, 48, 48, 52, 52, 56) sts.

## **Cuff**

Work CRP in the round for 3 inches.

End with Row 3 of pattern.

BO all sts following Row 4 of pattern st.

Repeat for 2nd sleeve.

## **FINISHING**

With tapestry needle weave in all loose ends. Soak knitwear in cold water.

Squeeze out water, lay flat and roll in towel to release more water. Block to size.
