Block to measurements. Sew shoulder seams. Sew Sleeve underarm seam and set in sleeves. Turn Hems to inside and invisibly sew in place. Weave in all tails.

I-Cord Edging and Button Loops

With CC and crochet hook, chain enough sts to make a loop for .75" button. Join to first ch with a slip stitch. Place loop from hook on a dpn, and cast on 3 sts. Work I-cord *k4 sts, but do not turn. Slide sts to opposite end of needle and repeat from* until it is about a yard long.

Leave sts on dpn and begin sewing

I-cord across top of Left Front Ribbing, around neck, across top of Right Front Ribbing, then about 1/2" down long edge of Ribbing. Make a loop large enough for 1.25" button. Place buttons on left side to check position (approximately 1" apart), and make 2 more loops. Continue sewing I-cord down long edge of Right Front Ribbing, knitting more cord as needed to end even with bottom edge. To end off, k2tog twice, then pass first st on needle over second. End off and weave in tails. Finish sewing I-cord on. Sew three 1.25' buttons in place. Sew .75" button at inside of Right Front Ribbing so that the Front Ribbing hangs straight.
