Sleeves: (measured from center of back to wrist): 29.5/30/30/30.5/30.5"

TIP: If you need to adjust lengths, watch out for (#) sign. Here you can add or take off rows. Add or take off 6 rows per inch of change. This also means that if you added for example 12 rows to the back that you have to add these 12 rows to the front before you start the neck shaping.

IMPORTANT: You can only add or take off rows before the raglan shaping.

SSK: on right-side slip next 2sts knit wise one at a time. Insert tip of left-hand needle into the fronts of these 2 sts, and knit them together from this position.

Row 1: *k2p2 *, repeat from *to* ending with k2.

Row 2: *p2k2* repeat from *to *, ending with p2. Repeat row 1 and 2.

Change to bigger needle. Work (#) 80/80/80/80/84 rows in Stst.

TIP: Count your rows on the purl side. Each ripple counts as one row. After a purl row you always have an even number of rows.

At the beg of next two rows bind off 3/ 4 /4/4/4sts= 80/86/94/102/114 sts left. Work two rows.

Start raglan shaping. K2,SSK , knit to last four sts. K2tog, k2. Purl on wrong-side rows. Continue to decrease on right-side rows until you have 38 sts left. Bind off on a right-side row. (bind off after 132/132/136/140/144 rows in Stst)

Front: work as for back. Work (#) 114/114/116/120/124 rows in Stst. On the following right-side row bind off center 10 sts, knit to end of row. You must have the same amount of stitches on both sides. You will finish both sides separately. Purl one row.

At the beginning of the next knit row neck edge bind off 3 st once, and then 2 sts every other row 2 times, then 1st three times. Continue to decrease for raglan. When 4 sts are left and 132/132/136/140/144 rows in Stst are worked, bind off on right-side row.

Finish the other side by starting from the center with a purl row, binding off 3 sts at the beginning of this row. Purl to end. Knit one row.

At the beg of the next purl row bind off 2 sts, and then every other row bind off 2 sts once, then 1 st 3 times. Continue to decrease stitches for raglan shaping. When 4 sts are left and 132/132/136/140/144 rows in Stst are worked, bind off on right-side row.

Change to bigger needles and continue to work in Stst pattern. Increase evenly 7/7/7/11/11 sts in first row = 49/49/49/57/57 sts.

To shape sleeve increase one st both sides as follows:

Small size: every 8th row 8 times, to 65 sts.

All other sizes: Every 6th row 3 times, then every 4th row 10 times to 75/75/83/83 sts.

After (#) 106/100/96/96/96 rows in Stst shape raglan. Bind off 3/4/4/4/4 sts at beg of next two rows. 59/67/71/75/75 sts left. Work two rows. Next row: k2 SSK work to last 4 sts. K2 tog k2. Repeat decrease 19/23/25/27/27 more times on both sides. 19 sts left.
