CUSTOM FIT NOTES

The size of your sweater depends on how long you repeat the Increase Set of 10 Rows.

(Change to larger circulars when needed.) Try your sweater on to see how long your increases need to be. Place your stitches on a piece or waste yarn long enough to give you plenty of ease. Put the sweater on and check.

You can modify and check to see if you need more or less sts, more or less rows before the underarm join. You will be casting on extra sts at your body join and sleeve area, so account for this. The sleeves join several inches below your arm pit.

If you have the sts you need but want it longer, stop the increases and make it longer.

You will obtain st count on different rows on front and back. Some sizes will have odd number of sts for their st guide. The extra st can be added with the cast on sts when separating sleeves and body.

Customize your sweater and choose a body and arm size that suits your body.

Here are your stitch guides before your join:

Front (number of sts *each* side of chart): 24 sts = 30", 28 sts = 32", 30 sts = 34", 32 sts = 36", 34 sts = 38", 36

sts = 40", 38 sts = 42", 40 sts = 44", 42 sts = 46", 46 sts = 48", 48 sts = 50", 50 sts = 52".

Back: 63 sts = 30", 67 sts = 32", 71 sts = 34", 76 sts = 36", 81 sts = 38", 85 sts = 40", 89 sts = 42", 95 sts = 44",

99 sts = 46", 103 sts = 48", 107 sts = 50", 113 sts = 52".

Arms (each section): 49 sts = 12", 53 sts = 13", 59 sts = 14", 63 sts = 15", 67 sts = 16", 71 sts = 17".

Separating Sleeves

When you have your desired sts and length *Work to M, CO 5 sts, slip arm sts to waste yarn or knit onto a

cable holder*, knit across your second body area and repeat process for second sleeve (in between *'s). Your

body area is now joined in the round with an extra 5 sts at each side. Keep only your one starting marker.

Continue working your pattern to 12 (12, 13, 13, 14, 14) total inches or 4 inches from desired finished length.

On last row decrease by k2tog evenly 1(1, 2, 3, 1, 1, 3) to obtain multiple of 4 sts.

168(176, 184, 200, 220, 240, 256) sts.

SLEEVES

Decreases

Starting with: 58(64, 68, 72, 76, 81, 86) sts. (If you have a different starting st count, decrease using the rows

below to one of the st counts above, then continue.)

Row 1: K1, k2tog, knit to last 3 sts, k2tog, k1. (2 decreased)

Row 2, 3 and 4: Knit.

Repeat rows 1-4, 6(9, 9, 8, 9, 8) more times for a total of 14(,20, 20, 18, 20, 17) sts decreased.
