Pima Silk Top-Down Lace T-Shirt

Designed By Vera Sanon

Pima Silk Lace Top-Down T-Shirt

Designed by Vera Sanon

This t-shirt is worked from the top down in one seamless piece with raglan shaped sleeves. Because of the top-down construction, the garment can be tried on and custom fit in its length and overall fit. The easy lace pattern adds a really pretty touch to the t-shirt. This t-shirt is a great project for a first-time lace knitter.

Neckline Ribbing:

Tip: When picking up stitches use a needle that is at least 4 sizes smaller than the needle that you will knit with to pick up stitches. In this case, we are using a needle size US 6 to knit the ribbing, thus use a needle size US 2 to pick up the stitches. This will result in a nice even edge without any holes where the stitches were picked up.

Pick up (evenly) 148 (154, 172, 178, 184) sts around neckline as follows:

Size S – Start at Back, Pick-up 70 sts, Sleeve 4 sts, Left Front 24 sts, Middle Front 22 sts, Right Front 24 sts, Sleeve 4 sts, PM.
